Hispanic Archival Collections

Research Files for Published Works

Please note that not all of our Finding Aids are available online. If you would like to know about an inventory for a specific collection please call or visit the Texas Room of the Julia Ideson Building. In addition, many of our collections have a related oral history from the donor or subject of the collection. Many of these are available online via our Houston Area Digital Archive website.

MSS 0326 Arnoldo De Leon Manuscript Collection

This collection contains the research files of Arnoldo De Leon for his publication *Ethnicity in the Sunbelt – Mexican Americans in Houston*.

MSS 0907 Del Pueblo Collection

This collection contains the research files of Thomas Kreneck, former archivist for the Houston Metropolitan Research Center, for his publication *Del Pueblo – A History of Houston’s Hispanic Community*.

MSS 1394 Guadalupe Quintanilla Collection

This collection contains the research files of Guadalupe Quintanilla for her PhD dissertation: *The Little School of the 400 and Its Impact on Education for the Spanish Dominant Bilingual Children of Texas*.

MSS 1415 Roberto Treviño Catholic Oral History Collection

This collection contains the research files of Roberto Trevino for his publication *The Church in the Barrio – Mexican American Ethno-Catholicism in Houston*.

MSS 1466 Moody Park Riots Papers

This collection contains the research files of playwright Alex Saar Rios for his play about the Moody Park riots. The riot was a reaction to the murder of Vietnam veteran, Jose Campos Torres, by Houston Police officers a year earlier in May of 1977.
